ORDER:

In the reference read above, Chief Engineer, North Coast, Visakhapatnam has stated that the Superintending Engineer, Irrigation Circle, Bobbili has submitted Annual maintenance Estimate of Madduvalasa Reservoir Project in respect of provision for operators, helpers, watch and ward and lascars for operation and maintenance of spillway regular and head sluices for the year 2017-18 for an amount of Rs.11,55,000/- (Rupees Eleven lakhs and fifty five thousand only) for seeking administrative approval from the Government. The Superintending Engineer has reported that there was shortage of staff for operating of the Dam. At present there are no watch and ward for the dam for monitoring during nights. Many people visit the dam on occasions, its being huge task to control them. This being a Medium dam and situated in a very interior area, continuous vigilance is necessary. There is an utmost requirement for the operators, helpers and lascars for smooth operation and also efficient water regulation. Right Main Canal is about 50 Km. there is huge shortage of lascars for monitoring of canals especially during water regulation period. He has requested to accord necessary administrative approval for the above estimate.

2. Government after careful examination of the proposal, hereby accord administrative approval to the Chief Engineer, North Coast, Visakhapatnam for an amount of Rs.11,50,000/- (Rupees Eleven lakhs Fifty thousand only) for smooth maintenance and operation of the Madduvalasa Reservoir Project.

3. The expenditure is chargeable to the Head of Account "2700-01-800-00-21-270/ 272 Maintenance for the financial year 2017-18.

4. The Chief Engineer, North Coast, Visakhapatnam shall take necessary action accordingly.

5. This order issues with the concurrence of Finance (WR.I) Department, vide their U.O.No. 47027/295/(FMU WRD I)/2017, dated 13-02-2018.
